MOQ 200 pieces

## Your Benefits

### Device Protection and Cost Saving

#### NO DAMAGES AND LOSSES

This durable case protects the device from drops and shocks, helping to prevent accidental loss.

#### HOUSING PROTECTION

The case shields the device from dust, dirt, and everyday wear, keeping it in good condition for longer.

#### HIGHER EFFICIENCY

Improved workflow and faster device access save time, boost productivity, and reduce operational costs.

### Ergonomic Design and Ease of Use

#### HANDS FREE

With the case, the device is always within reach while keeping both hands free for work.

#### USER COMFORT

The lightweight, ergonomic design provides convenience and ease of use throughout the entire working day.

#### MULTIPLE CARRYING OPTIONS

Can be worn on a shoulder strap, 360° Clip – offering full flexibility to match the user's working style.

## Available Variants and Optional Extras

### Material Options

### 360° Clip

See how it works

**Genuine Leather** – a durable and natural material designed for work in harsh conditions. Double cowhide of Polish origin, chrome-tanned to a thickness of 1.2–1.4 mm. The leather's characteristics prevent fraying along the edges and ensure very high resistance to tearing and ripping. The durable dyeing technology ensures long-lasting aesthetic properties of the surface.

**Hybrid Diamond** – a modern hybrid material composed of 60% polyamide yarn and 40% polyurethane coating. The composite bonding of layers under high pressure provides very high durability against operational factors. The applied technology prevents fraying at the edges of cuts. The outer coating features an aesthetic texture resembling rubber to the touch, ensuring a secure grip in hand.
