

Screen Protector - Zebra TC8000 - Anti-Glow - Type: Hybrid Matt

Protect the most delicate part of your device.

Screen Protector for Zebra TC8000 . Combines solid scratch resistance (9H hardness) with a matte finish that reduces screen reflections and glare. Ideal for users who want both durability and improved readability in bright environments.

Features

- **Anti-Glow feature to protect against reflections of sunlight or artificial light on the screen.**
- **Adds a matte look to the screen to eliminate distracting reflections.**
- **9H hardness for maximum Anti-Scratch protection.**
- **Easy to apply on the screen.**
- **Does not affect the operation of the touch screen.**
- **Perfect fit on the screen.**
- **Without the flaws of tempered glass: no edge chipping, no cracking.**
- **Made in Europe.**
- **Laser cut for the highest precision.**
- **Available in retail and bulk quantities.**
