

Screen Protector - Ingenico Axium DX4000 - Privacy Filter - Type: Private

Protect the most delicate part of your device.

Screen Protector for Ingenico Axium DX4000 . Designed with a privacy filter, this 0.55 mm protector hides on-screen content from bystanders, making it ideal for sensitive environments like healthcare or banking. It also protects against scratches with 3H hardness.

Features

- Privacy filter to protect your screen content from prying eyes.
- Oleophobic coating - reduces smudges and fingerprints
- Easy to apply on the screen.
- Does not affect the operation of the touch screen.
- Perfect fit on the screen.
- Without the flaws of tempered glass: no edge chipping, no cracking.
- Made in Europe.
- Laser cut for the highest precision.
- Available in retail and bulk quantities.
- Preserves screen clarity for the user only.
